PREFACE

This is Indiana State College -- the home of some 3500 students from September until May. The **Cue** is a handbook which has been organized for students and faculty alike. There is a handy index in the back to aid you in finding information about any phase of campus life. Also the book is organized into five general sections. Perhaps most important to you is the official college calendar of events which is found in the back of the book.

Because of the growth and expansion of our campus, there may be additional changes in the information we provide. Please check the Daily Bulletin for the latest information.

To our freshmen, transfer students, and new faculty members we extend a warm welcome, and to the returning ISC students we give a **heartly** welcome back. Good luck to all of you in 1962-63!

GREETINGS

Welcome to Indiana, which you have selected as your college home for the next four years.

Some people select a college for its physical plant. The campus at Indiana is located on a very beautiful site, 100 acres in size, with many buildings which are adapted to college life. Within the past ten years ten new

buildings have been constructed, and additional buildings are expected to get under way in the very near future.

Some people select a college for the traditions which characterize it. Indiana was founded in 1875 and has a rich heritage in the arts which is characteristic of both the College and the Community in which it is located. The College has long had a reputation for excellent scholarship and has graduated many competent teachers for the schools of the Commonwealth of Pennsylvania.

Some select a college for its student body. Here at Indiana you will find your colleagues for the most part are graduates from the upper levels of the high school classes. The student community may be said to be highly selected, including only the most able students from the high schools of the area.

The most important part of a college is not its campus, nor its traditions, nor its student body. The important part is the faculty community which it has. The faculty at Indiana numbers 215 well qualified staff members who have been graduated from institutions of higher education in all parts of the country. Many are distinguished scholars in their respective fields, and all have had a wide experience in teaching.

We are certain that you will come to appreciate Indiana for its physical plant, for its traditions, for its student body, and for its faculty.

We hope you will find your college home both enjoyable and stimulating.

Cordially yours,

WILLIS E. PRATT

Alma Mater

Chorus

ALMA MATER

To our noble Alma Mater's name
We, her children, sing a joyful lay,
And to her a new allegiance pledge,
That lives beyond a day.

A prayer for her who sheltered us,
A hope no child her name will stain,
A cheer thrice giv'n with a hearty voice,
And now the sweet refrain.

Of Loyalty are symbols twain,
Her colors, crimson and the gray,
"Dear Indiana Mother Fair,"
The burden of our lay.

(Refrain)

Sing, O, sing, Our Alma Mater's praise
Hail, O, hail! her color's gleaming hue!
Give to her our homage and our love
And to her name be true.

INDIANA A CAMPUS

THE HISTORY OF INDIANA STATE COLLEGE

Since the founding of the State College at Indiana, Pennsylvania, in 1875, the college has graduated approximately 19,000 students; and since becoming a degree conferring institution in 1927, the college has granted 10,400 degrees. In addition to the previous figures, the first group to receive a Master's degree was in August of 1958. The total to date is 175.

Located in the central western section of the state about fifty miles east of Pittsburgh, Indiana State College is the largest of fourteen Pennsylvania state colleges. It is now operated as a part of the public school system of Pennsylvania under the teacher education division of the Department of Public Instruction.

Local control of the college is vested in the board of trustees of nine members appointed by the governor of the Commonwealth. Since July 1, 1948, Dr. Willis E. Pratt, president of the college, has served as the chief executive officer.

Indiana grew out of the need for a teacher training institution in western Pennsylvania. In 1871, the Pennsylvania general assembly passed an act granting aid to the establishment of a normal school in the ninth Pennsylvania district.

The first building was completed and opened for students on May 17, 1875. At the present time approximately 3,750 full time students are enrolled at the college with 215 faculty members.

The size and natural beauty of the college campus offer ample opportunity for recreation in a pleasant environment. Ours is frequently described as one of the most beautiful small college campuses in the country. In the center of the campus is the oak grove about which

are grouped the main buildings, forming three sides of a quadrangle. The rest of the campus is made beautiful by a careful distribution of shrubs, flowers, and vines artistically arranged.

The main campus of the College, originally twenty-three acres with one building, is now composed of one hundred acres on which are located twenty principal halls, twenty other buildings, and a new athletic field development.

The College Lodge, located a few miles from Indiana, is surrounded by one hundred acres of wooded hillside. This not only offers opportunity for classes to study nature and conservation, but also provides an ideal setting for numerous social activities of the College.

Indiana prepares teachers for the Pennsylvania public schools in the special curricula of art, business, home economics, and music, as well as in elementary and the academic subject fields in secondary education. In addition, the college also prepares dental hygienists and public school nurses, and certifies teachers in safety and driver education.

In September, 1957, the State College at Indiana began giving graduate courses leading to a Master of Education degree in elementary education. This marked the first occasion on which a Pennsylvania state college had work on the graduate level. The college has now, with the approval of the state council of education, expanded the graduate work to the Master's degree level in English, social studies, mathematics, geography, Spanish, French, science, biological science, physical science, guidance, music, and business. The college is an approved, fully accredited member of the Middle States Association of Colleges and Secondary Schools, the American Association of Colleges for Teacher Education, and the National Council for Accreditation of Teacher Education.

In April, 1920, the ownership and control of the school passed to the Commonwealth of Pennsylvania. In May, 1927, by authority of the General Assembly, the State Normal School became a college with the right to grant degrees. The name was then changed to the State Teachers College at Indiana. In 1959, the name was changed to Indiana State College in keeping with a state ruling that changed the names of all the teachers colleges.

The major buildings on the campus are Clark Hall, John Sutton Hall, Thomas Sutton Hall, Leonard Hall, Rhodes R. Stabley Library, David J. Waller Gymnasium, Wilson Hall, Jean R. McElhaney Hall, John S. Fisher Auditorium, John A. H. Keith School, Walter Murray Whitmyre Hall, Elkin Hall, Langham Hall, Wahr Hall, Walsh Hall, Cogswell Hall, and the Student Union. These will be discussed in detail throughout the CUE.

We are adding new buildings and athletic fields to our campus. Three new dormitories for women are being built on the old athletic field. A new athletic field, gymnasium, and field house are in progress at the end of Eleventh Avenue on the southwest campus. Other new buildings which are planned but not yet started are another men's dormitory and a women's dormitory to the west of Elkin Hall on north campus. Also planned are a new Home Economics classroom building on the east campus, a new dining hall on the corner of Grant and South 11th Streets, and an addition to the present science building.

General College Information

ABSENCE AND TARDINESS — The College has no cut system of absenteeism. In case of absence or tardiness the student will fill out a blank, which is available at any department office, and present it to the instructor for admission to the class.

The instructor will judge the merits of the excuse and handle the matter accordingly. Whenever an instructor feels that any student has been absent or tardy to an extent that might endanger scholastic standing, the instructor will report the student to the office of the Dean of Instruction. This plan puts the responsibility first upon the student, second upon the instructor, and third upon the Dean of Instruction, who may in turn furnish the adviser and the Dean of Men or the Dean of Women with whatever information is necessary for a follow-up.

BROADCASTING — Radio broadcasting continues as an established activity of the College. Programs are broadcast from the Broadcasting Studio in Leonard Hall.

CARS — Every student who regularly drives a car on the College campus must register with the Dean of Students and have a sticker on his car windshield. Parking violations are checked daily; drivers may be fined for illegal parking.

Resident women and freshman men who do not commute daily are not permitted to keep cars in Indiana unless special permission is given them by the appropriate dean.

The **CLARK HALL COFFEE SHOP** and the Television Room are located on the ground floor of Clark

Hall and are open to all students. All types of light lunches are available.

Hours:

Monday: 7:00 – 10:00

Tuesday – Saturday: 7:00 – 7:00

COLLEGE CONVOCATIONS are held approximately every other Tuesday at 11 a.m. At this time the College presents the best available speakers, artists, and musicians. Freshmen and sophomores are expected to attend these. All convocations are announced in the Daily Bulletin and the **Indiana Penn.**

The **COLLEGE INFIRMARY**, located at 406 South 11th Street, behind Cogswell Hall, is for the use of all students free of charge, except for special medication and prescriptions. Regular hours are maintained, but there is a nurse available at all times in case of an emergency. The nurse should not be called to the student's room unless the seriousness of the illness makes a trip to the infirmary impossible. After the dormitories close for the night, women students should contact their Counselor, their Head Resident, or the Dean of Women, in case of illness.

House and dormitory students who are seriously ill may secure a bed in the infirmary free of charge for three days. For each additional day a charge of \$1.00 is made. Off-campus students are charged \$2.00 a day from the first day.

Infirmary verification for excuse blanks can be obtained only if the illness is reported before the class is missed. Illness excuse blanks can be secured at all department offices.

So that a complete health record may be kept, all students are asked to stop at the infirmary before visiting a doctor or a dentist in town. Students who become

Ill at home should not return to school until they are well enough to attend classes. If a physician has been in attendance, the student should bring to the infirmary a statement of the diagnosis.

A maximum of two visitors may be permitted from 4:00 – 5:00 p. m., if granted permission by the nurse. Persons with contagious diseases are not permitted to have visitors.

Infirmary hours:

7:30 – 8:30 a.m.
10:30 – 11:30 a.m.
1:30 – 3:00 p.m.
6:30 – 7:30 p.m.

Sunday:

9:00 – 10:00 a.m.
6:30 – 7:30 p.m.

College Physician: Dr. Waldo

Office Hours:

8:30 – 9:30 a.m. weekdays.

COMMUTER LOUNGES — For the use of non-resident women there are study, rest, and lunch rooms in Iroquois House, the south hall basement and the north hall basement in John Sutton Hall.

There are lounges for men in room 33 of Whitmyre Hall and in the basement of Clark Hall.

CULTURAL LIFE COMMITTEE — Faculty members appointed by the President of the College and student representatives appointed by the Student Council make up the Cultural Life Committee. Its purpose is to bring to Indiana the best speakers and artists available.

The **DAILY BULLETIN** is issued by the administration every day. All notices to be printed must be deposited at the Post Office before 4:00 p.m. on the day previous to publication. Notices may not appear more

than two consecutive days. They must be clear, concise, and of concern to a large portion of the student body; and they must have the signature of the adviser or sponsor.

FIRE DRILL REGULATIONS — A fire drill, required by state regulations, is held monthly by all college personnel. Fire drill regulations are posted in each hall of the college buildings. Students are expected to act promptly according to directions and to be acquainted with the proper exit from any location in the buildings on the campus.

A student in each class should be appointed to open and wedge the door when the alarm rings. In rooms where there are fire escapes, instructors are responsible for having the doors leading to the fire escapes opened and blocked immediately.

Before leaving the rooms, instructors should be sure that all the windows and doors are closed. Lights should be left on. Instructors are urged to leave the building and to assist by keeping all exits clear and by asking students to keep moving until they are fifty feet from the building.

LOST AND FOUND — Students should report the loss of property immediately to the custodian of the buildings. Articles found should be turned in at the Post Office.

MAIL — The Post Office and the Women's Mail Room are located on the ground floor at the west entrance to John Sutton Hall. All other students receive their mail at their place of residence. Women day students get their mail in boxes provided for them in John Sutton Hall; men, in Whitmyre Hall. Commuters should check their boxes regularly. Since the Post Office is a

branch of the City Post Office, it is open every day so that students may mail out or receive packages through it.

THE ORIENTATION PROGRAM — The first five days of the first semester are known as "Freshman Week." During these days new students complete their registration, secure their programs, and take their health examinations and a battery of tests. Other activities include a mixer dance, a convocation, a hall group get-together, a meeting with their counselors, and several meetings with the social deans.

During the first semester, orientation programs are held for freshmen and transfer students. The social needs, customs, campus activities, and academic procedure are discussed at these meetings. Attendance is required.

PUBLICATIONS UNDER THE GENERAL SUPERVISION OF THE OFFICE OF PUBLIC RELATIONS:

The **INDIANA PENN** is the weekly campus newspaper, published by those students who wish to gain writing experience. Interested students are advised to attend the organizational meeting which is held early in each semester. The two top executive positions are selected by the Student Council upon recommendation of a student-faculty committee.

The **OAK** is the college yearbook, a pictorial and written review of the year's activities, given to all students who have paid the activity fee for two semesters. A student leaving at mid-semester may obtain a copy by paying \$3.00 and the mailing fee; anyone entering at mid-year may receive a copy by paying this fee to the Business Manager of the **OAK**.

Applications for staff positions may be obtained from the Director of Public Relations. From these applications,

a committee, composed of the OAK advisers, retiring Editor and Business Manager, Public Relations Director, Student Council President and representative, selects the staff members. The ten paid positions on the staff are subject to the approval of the Student Council. Advisers: McVitty, Luckner, and Sheeder.

The **INDIANA STUDENT WRITES**, a student-sponsored magazine, gives undergraduates the opportunity to see their best literary efforts in print. Any student may submit articles, short stories, short plays, poems, and essays for publication. Instructions for submitting manuscripts appear in the Daily Bulletin in November of each year.

Application for the editorial positions on the **STUDENT WRITES** should be made to the advisers, but the final selection is made by the Student Council acting on the recommendation of the Committee on Publications. Advisers: Rider and Ianni.

The **CUE**, the college handbook, is distributed before the opening of the fall session each year as a guide to the students. In it are published the regulations governing students and student activities. The **Cue** also contains descriptions of the college organizations, both curricular and extracurricular, and a calendar of events for the coming year. Adviser: Hull.

SELECTIVE SERVICE AND MILITARY INFORMATION — Every man enrolled at Indiana, including ROTC cadets and those who have not yet registered with Selective Service, should report by October 10 and February 10 to the Dean of Men in Whitmyre Hall to file information concerning his Selective Service status. All information received from Selective Service should

be reported so that records are up-to-date at all times. All correspondence and reports to the Selective Service Boards are sent from the office of the Dean of Men.

Students may be considered for deferment on the basis of academic rank or on the basis of the score made on the Selective Service Qualification Test. All students, including ROTC cadets, should take the test the first time it is offered. Specific qualifications and procedures are available in the office of the Dean of Men.

Every man is required by law to register with Selective Service within five days after his eighteenth birthday. Students may report to the local Indiana Selective Service Board instead of returning to their home board.

SMOKING REGULATIONS — Smoking is not permitted in campus buildings, halls, or lavatories. Men may smoke on the campus, in the Men's Lounge Room, or in Whitmyre Hall. Women may smoke only in the smoking rooms provided in each women's dormitory, in the Student Union, or in the Coffee Shop.

STUDENT AID:

1. **EMPLOYMENT** — All students who need employment to defray part of their expenses should file an application for student employment in the Office of the Dean of Students. Opportunities that develop for work on the campus or in town are filled from the application records.

2. **LOANS** — The following loans are available:

Jane E. Leonard Memorial Loan Fund is available only to sophomores, juniors, and seniors. The maximum is \$400.

National Defense Student Loan Program is available to all who qualify for it. The maximum is \$1000 per year and \$5000 per four years.

Men's Varsity "I" Loan Fund, which is available to members of varsity athletic teams, has a maximum of \$150 per year.

Thirty-day loans of not more than \$20 are available to all students in cases of emergency.

3. SCHOLARSHIPS — The following scholarships are available to students:

The Alpha Omega Gamma Scholarship of \$25: to the outstanding freshman geography major.

The American Federation of Women's Clubs Scholarships of \$100 each: to four art students.

The Anonymous Mathematics Scholarship of \$50: to an outstanding math student.

The Clark Scholarship of \$50: to one senior each semester.

The Corrine Menk Wahr Scholarship consisting of \$100 to \$144 for each of four years: to fifteen students.

The Ethel V. Oxley Scholarship of \$50: to one, two, or three home economics students.

The Hannah Kent Schoff Memorial Scholarship of \$600: annually to two freshmen.

The Harriet Farr Davis Scholarship in the Fine Arts of \$50: annually to the outstanding senior.

The Morris Scholarship of \$100: annually to one sophomore and one junior.

The Presser Foundation Scholarships: annually to two music students.

The Kappa Delta Pi Graduate and Undergraduate Scholarships of \$25: annually to one sophomore and one graduate student.

The State Scholarships consist of \$200 a year for four years.

The Syntron Foundation Scholarship of \$300: annually to four freshmen.

For further information see the INDIANA BULLETIN or the Dean of Students.

TELEVISION production experience is now available at the college. Interested students spend a minimum of 100 hours learning the mechanics of production through the facilities of WQED, Pittsburgh's educational television station. This workshop experience serves as part of the requirements for the educational television course offered each semester.

In addition to workshop participation, both faculty members and students present television programs of various kinds. Some of these stress classroom instruction, while others encourage artistic appreciation.

TESTING PROGRAM — All new students except those transferring two years' credit are required to take a series of tests during the first week of school. The program includes a personality inventory, achievement examinations in reading, writing, mathematics, social studies, and science, and a speech test. Passing the speech test (demonstrating normal speech) is one of the necessary requirements for attaining Junior Standing. The results of the tests are given to the student by his adviser.

VETERANS' INFORMATION — The Dean of Men also serves as Veterans' Counselor. Korean veterans must report to their secretary on the day of enrollment each semester and each summer session, in order to be paid subsistence beginning with the first day of the term. Immediately after registering, the veteran must bring his receipts to the office of the Veterans' Counselor to complete enrollment for V. A. purposes. He must also report on the last school day of each month to sign payroll documents.

V. A. regulations require the Veterans' Counselor to report immediately to the Veterans' Administration any veteran whose conduct or academic progress is unsatisfactory.

factory, whose absences are excessive, or who withdraws from college. The faculty make absence reports each week. Excessive absence may lead to reduction in subsistence pay or to interruption of training.

Korean veterans must pay for all fees, textbooks, and supplies at the same time that non-veteran students are required to pay.

Each veteran is responsible to the Veterans' Counselor for reporting any change of program made at any time after enrollment. He should also report in the event an emergency requires absence in excess of three days, so that his absence will not be interpreted as withdrawal from college and reported as such to the Veterans' Administration. Upon return from such absence he should report to the Veterans' Counselor.

If a veteran must withdraw from college, he should sign the documents required by Veterans' Administration regulations. All veterans should present a photostatic copy of their discharge papers (DD214) to the Dean of Students to secure credit for health courses.

The foregoing regulations also apply to graduate students attending under Public Law 550.

War orphans should see the Dean of Men regarding possible eligibility to attend under Public Law 634.

More detailed information concerning V. A. requirements is available in the office of the Veterans' Counselor.

Eligibility

1. **Years of Competition.** A student shall not be allowed more than four years of intercollegiate competition.

2. A student must complete his intercollegiate competition within a five-year period from the date of first matriculation at any college. This restriction may be waived in the case of a veteran or draftee.

Interpretation: In determining years of competition in all cases, the following provision applies: Participations, however brief, in any intercollegiate athletic competition in any college or junior college will cause that year to count as one of the allotted years of competition.

Note: The restrictions of Section I-C are waived in the case of a veteran. The years during which a student may have represented any college as a service trainee in intercollegiate athletic competition shall not count in his total years of eligibility.

3. Academic Attainment.

a. A student to be eligible must carry at least twelve (12) semester hours of credit courses.

b. A student to be eligible must have secured passing grades in at least twelve (12) semester hours of work during his preceding semester. A student having failed to pass twelve (12) semester hours in any semester may become eligible by attending summer sessions and securing a passing grade in twelve (12) semester hours of credit.

4. **Transfer Students.** No transfer student shall be eligible for intercollegiate athletic competition in varsity sports until he has completed satisfactorily a full year's or two semesters' work at his college.

Interpretations:

a. Attendance at summer sessions shall not be regarded as meeting the requirements of a semester's residence.

b. The student who trains at a training camp with a college before the football season opens but who does not matriculate at the college is eligible to enter a state college and play that season.

Matriculation means a payment of fees, completion of registration forms, and attendance at one class.

c. A student transferring from a regularly accredited junior college shall not be affected by this rule.

5. Amateur Rule. A student competing in intercollegiate athletics shall be an amateur in good standing. An amateur sportsman is one who is engaged in sports for the physical, mental, or social benefits he derives therefrom, and to whom the sport is an avocation. A student ceases to be an amateur and is therefore ineligible to participate in intercollegiate competition by the commission of any of the following acts:

a. Participation in any athletic competition under an assumed name, or otherwise with intent to deceive.

b. Directly or indirectly receiving money or remuneration for participation in any competition as a player or for coaching any sport.

c. Directly or indirectly receiving money for signing a contract with a professional team in any sport.

d. Signing a contract with a professional team in any sport, regardless of any subsequent cancellation or revocation, absence of payment, or lack of training with the team.

6. A student who is a squad member on or after the date of the first regularly scheduled contest, and who en-

gages in any athletic contest during the time the college is in session, not arranged by his college, organized college conferences, or the Amateur Athletic Union, and approved by his college, shall not be eligible to represent his college in that sport during the remainder of that college year and during the succeeding season of the sport in which he participated in an unauthorized contest. This restriction includes Thanksgiving vacation and the time between semesters, but does not include Christmas vacation.

7. Varsity Competition. A state college varsity team may compete only with varsity teams of four-year degree-granting colleges in regularly scheduled games.

Interpretations:

a. Regularly scheduled games are games for which contracts are signed and/or admission charged.

b. Where scheduling difficulties are encountered, this rule may be waived by the athletic committee of the Board of Presidents.

8. Playing and Practice Season :

a. Pre-season practice in football shall not begin prior to September 1 of each year and the regular playing schedule shall be limited to a maximum of ten games in a season exclusive of post-season competition.

b. Pre-season practice in basketball shall not begin prior to October 15 of each year; the first scheduled game shall not be played prior to December 1, and the maximum number of regularly scheduled games shall not exceed twenty-six in a season, exclusive of post-season tournament contests.

c. Organized post-season practice in football shall be limited to twenty sessions in a period of thirty-six calendar days, vacation and examination days excluded.

d. Organized post-season practice in basketball shall be limited to twenty sessions in a period of thirty calendar days, vacation and examination days excluded,

9. These regulations were adopted by the Board of Presidents July 20, 1956, and shall become effective September 1, 1959.

ATHLETIC AWARD SYSTEM

The Athletic Awards at Indiana include the Varsity "I", emblemmed sweaters, and gold service awards. In order to achieve these awards certain requirements have been established.

For the letter, the Varsity "I," each sport has set up its own requirements, peculiar to its own sport. The award is based on participation, scoring of points, attendance, and recommendation of the coach.

The sweaters are presented to those players who have won their second "I" with the condition that the letter was won the second time in the same sport.

The gold service awards are given to the athletes who are seniors, who have completed their last year of eligibility, and who have earned sweaters in the same sport.

The system is set up so that a player actually receives one letter and one sweater. A gold award can be received in each of the Varsity sports by seniors earning three letters in the same sport. Certificates are issued to each player for each award earned.

Also, awards are set up for team managers, cheerleaders, and the Indiana Indian. At the end of the first year of service, each receives numerals, at the end of the second year the Varsity "I," and at the end of the third year the jacket.

LIFE SAVING-WATER SAFETY—Classes in Senior Life Saving are offered both semesters to provide training for students who desire to qualify for work in summer camps and other projects. These classes are taught by both college and campus instructors. The requirements for participation in these classes are set up in the Red Cross Water Safety Book. A further stipulation is that all participants must satisfactorily complete the American Red Cross Swimmers' Skills.

An Instructor's Course in Water Safety is offered to those who have completed the following: The Senior Life Saving Course Swimmers' Skills, The Advanced Swimmers' Skills, and a 15-hour preliminary instructor course.

The final examinations for the Instructor's Course are given by Field Representatives of the American Red Cross during the month of April.

INTRAMURAL SPORTS

An active intramural program is conducted for both men and women. All students are urged to participate in those activities in which they are interested.

A regular faculty member is responsible for the women's intramural program. The men's program will have a faculty intramural director in the near future.

Women's Intramural Director — Ruth Podbielski
Assistant Director — Margaret Martin

CHEERLEADERS

Cheerleaders for the athletic contests are selected at the beginning of the first semester, when vacancies occur, or if exceptional ability is noticed on the part of any incoming freshman. Students interested should contact Beverly Lucas, Waller Gym.

SPIRIT OF INDIANA

On! On! On! On to victory,

Everyone expects to see you win today.
Fight to win! "Play the game square!"

Always for your Alma Mater do and dare.
Now then go! Give them not a show,

You have skill and daring, that we know,
For not only will you score, but will add
a few points more.

Just to show them how we do at Indiana.

Indiana, don't you hear our cheer?

That you'll honor us we have no fear,
See your pennant floating o'er the field!

Unto foemen you will never yield.

You will hear us as we shout and sing,

With our praises will the welkin ring.
Other teams will know their fate,

When they meet the "Red and Slate."
It's the way we always do in Indiana.

(Chorus)

Victory! Victory! Victory!

With your faces ever towards the foe,
Victory! Victory! Victory!

Pressing forward down the field we go!
Victory! Victory! Victory!

Every man is finding every play,
For 'tis written on your shield,

"Unto foemen never yield."

We will always do our best for Indiana.

STUDENT ORGANIZATIONS

THE STUDENT COOPERATIVE ASSOCIATION

The **ACTIVITY FEE** for the regular semester is twenty dollars (\$20); three dollars and fifty cents (\$3.50) for the three-week summer session; seven dollars (\$7) for the six-week summer session. The fee for each semester is paid by each student at the time of registration. Checks for the Activity Fee should be made payable to the Student Cooperative Association. If the Manager of the Cooperative Association permits a student to delay payment, it shall be with the understanding that all such fees shall be paid by October 15 or February 25, or during the summer sessions by the tenth day after classes begin that session. The Manager of the Cooperative Association shall send one reminder via college mail. Failure to pay the Activity Fee by the appropriate date shall automatically lead to immediate suspension from classes and all college activities. The only exception shall be an arrangement for later payment in person with the manager, when special conditions warrant. Upon payment of the Activity Fee the student receives an "I" card which will admit him free of charge to all social, cultural, and athletic activities sponsored by the College during the semester. Full refund will be given for students withdrawing from the College within one month from the first day of classes. After the first month of classes absolutely no refunds will be given.

BANK (STUDENT) — A department of the Cooperative Association known as the Student Bank is operated in the business office of the Student Union. Students receiving money from home and not wishing to take the risk of carrying it on their persons or leaving it in their rooms may deposit it in the bank and withdraw it as needed by the issuance of checks. College checks are good only on campus. To help defray the expense of insurance, etc., a nominal charge is made

when an account is opened. Students are urged to use this service as a precaution against loss.

The **BOOKSTORE** in the Student Union carries all the textbooks used in the various classes. The management of the Bookstore is directed through the Student Cooperative Association. The **STUDENTS' CENTRAL TREASURY** serves the purpose of a bank for student organizations, making available on the College campus all services, necessary business papers, and standardized procedures for the administration of extracurricular finances. The office is under the supervision of the Cooperative Manager, who is directly responsible to the President.

Services of the Students' Central Treasury include installation of accounting records, uniform continuation between business officers and their successors, systematic methods for handling money, and general assistance to organization officials in keeping their financial activities on a sound financial basis.

Organization treasurers are required to write receipts in duplicate for all dues, fees, assessments, etc., which they collect or receive. They give the original copy of the receipt to the person from whom the money is received and retain the duplicate copy.

The fiscal and auditing policies for all student and campus groups follow: All money received from any source whatever by any group, student or otherwise, which is not part of the Student Cooperative Association Budget, shall be carried in a Central Treasury account in the Student Cooperative Association. All expenditures must be made through the Central Treasury. Furthermore, all income shall be deposited promptly in the Central Treasury.

Each individual responsible for a Central Treasury account shall submit the organization's books for audit.

ing annually, at the time announced in the college bulletin. After preliminary checking and correction, each organization shall file an audit report (forms may be secured in the Cooperative Association office) which must be approved as correct by the auditor. Failure to follow the foregoing procedure, or failure to abide by the general fiscal policy stated in the foregoing, shall lead to a "freezing" of all money held in the Central Treasury account of an organization until the deficiency is removed.

STUDENT GOVERNMENT

Student Council is composed of representatives from the eleven departments of the College. Also, the presidents of the following organizations automatically become members: the four classes, Women's Collegiate Association, Resident Men's League, Non-Resident Men's League, and Non-Resident Women's League. In September, six additional representatives are sent from the freshman class. The duties of the Student Council are to bring the student body, faculty, and administration closer together through a frank understanding of mutual problems; to provide an opportunity for discussion of student problems; and to foster a feeling of friendliness on campus. The president and the vice-president of the Student Council are chosen in a college-wide election.

The Student Council of Indiana is a member of the Associated Student Governments of the State Colleges of Pennsylvania. The purposes of this organization are: to promote a high degree of cooperation among the students, faculties, and administrations of the member colleges; to promote the development of more democratic governments in those colleges; and to provide for the unification of action through the association.

The **COLLEGE LODGE** plays an important part in the instructional and recreational life of Indiana. Owned by students and faculty, this 100 acres of wooded hillside, with its rustic lodge and three shelter houses, not only offers opportunities for classes to study nature and conservation but also is in demand for picnics, meetings, and winter sports.

Arrangements for use of College Lodge property by groups, classes, or individuals must be made in the office of the Dean of Women at least one day prior to use. A permit is issued and must be presented to the caretaker on arrival.

The caretaker is held responsible for regulations for use of the Lodge property. Those using the property are responsible to him for its proper use.

Any student or faculty member on the property at any time must be ready to identify himself by presenting an "I" card at the request of the caretaker, but possession of an "I" card without a permit does not grant permission to use Lodge property.

The following are eligible to use the Lodge:

- B. Any organized unit or group of alumni.
- C. Any organized faculty group, groups with faculty predominating, or faculty families.

The **CAMPUS CHRISTIAN FELLOWSHIP** (associated with Inter-Varsity Christian Fellowship) is an organization whose purpose is to lead others to personal faith in Christ as Savior; to deepen their spiritual life by study of the Bible, prayer, and Christian fellowship; and to confront them with the command to world evangelism. Membership is open to all students who have a sincere interest in the purpose of the organization. There are no dues — only voluntary contributions. Campus Christian Fellowship has social gatherings and also two week-end conferences, in the fall and the spring, which highlight the year's activities. Adviser, Mrs. Beatrice Hicks.

The **STUDENT CHRISTIAN ASSOCIATION** is an organization combining YMCA and YWCA. In its program, which includes speakers, panel discussions, group discussions, and social gatherings, the SCA strives to meet the spiritual, mental, and social needs of all students on campus, regardless of creed or race.

In the coming year the SCA will sponsor special morning watch services at Thanksgiving, Christmas, and Easter. SCA supports World University Service and promotes a variety of other service projects. Annual dues are \$1.00. All students and faculty of the College are welcome to become members. Advisers, Brown and Rowe.
